Pro Flat-Rate Delivery

Curbside/Garage Delivery – Pro Price: \$199

Requires a flat surface driveway navigable by a large box truck. Product will be placed on the driveway outside OR a full pallet of product will be placed inside an accessible garage. Delivery companies will not unwrap or remove debris for this type of delivery.

White Glove Delivery – Pro Price: \$249

Personnel will disassemble the palletized flooring and carry it into the home. The delivery team will remove all debris, including pallets, strapping and shrink-wrap from the home. Inside delivery will allow flooring to properly acclimate to the home's temperature. Delivery to a basement or second floor comes with an additional charge.
